

Manager (f/m/d) FS-CD Practice

Referenz-Nummer: ABR-30301-1

Art der Anstellung: Unbefristete Festanstellung

Ort: Bundesweit

Der Arbeitgeber

Our client is an international management consultancy specializing in the development and implementation of integrated finance and risk architectures. With industry know-how, technical expertise and technical implementation strength, the company offers excellent services to optimize financial functions, as well as the areas of regulation, risk management and compliance.

The management of individual change measures is also part of the portfolio, as are holistic transformation projects from strategy development and implementation of processes to the implementation of state-of-the-art IT solutions.

Die Position

- Conduct finance transformation projects and cover functional and technical requirements from an end-to-end perspective
- Support internal knowledge exchange as an expert and mentor
- Drive the exchange between us, our experts and SAP / SAP Pioneer
- Lead and guide young talents in the FS-CD area

Besondere Merkmale

- Comprehensive onboarding
- Flexible choice of residence
- Flexible working hours, such as home office and sabbaticals
- International project assignments
- A wide range of professional training opportunities
- Employee offers at Corporate Benefits
- Various company events
- Flat hierarchies and a family atmosphere

Die Anforderungen

- A university degree in science, business administration or equivalent qualification
- At least 5 years of relevant professional experience in successfully implementing FS-CD, (SAP Collection and Disbursement)
- Ideally FI-CA & S/4 Finance experience or other SAP ERP solutions
- Proven experience in the project execution of FS-CD projects as project manager or implementation lead (m/f/d) as well as knowledge in accounting processes, insurance and finance
- Fluent English, German is a plus
- German work- and residence permit
- Willingness to travel
